THE INN AT  
PALMETTO BLUFF  
AN AUBERGE RESORT

## THE PERFECT DAY REQUIRES THE PERFECT SETTING.

Tranquil, scenic waterways wind through moss-laden Spanish oak trees as you arrive at the resort. A spectacular sunset sets the sky on fire as you make your way through the quaint Village Square, where the antique gas lamps flicker on to announce the evening. To your left stands the stately River House, a soft yellow glow coming through the windows of the Grand Ballroom, where the final preparations are being made for the celebration to come.

Directly in front of you at the water's edge lies the beautiful Waterside Chapel, an intimate sanctuary that looks out over the May River providing the most breathtakingly romantic setting imaginable.

Set against the backdrop of the magnificent Southern Carolina Lowcountry, The Inn at Palmetto Bluff is ready to host your wedding like only an Auberge resort can—with world-class service, gourmet catering, professional event planning and award-winning accommodations that have made our name synonymous with the finest in luxury resorts.

Just 25 minutes from Savannah and Hilton Head Island, Palmetto Bluff Resort is centrally located for all of your guests' convenience. Isn't it time to make your dream a reality?

## EVENT LOCATIONS

### WATERSIDE CHAPEL

You could not wish for a more romantic setting for your special day than the Waterside Chapel on the banks of the May River. The simple design of the chapel highlights the spectacular natural beauty of this location, offering stunning views for up to 90 guests. A stately arched window at the front of the chapel, with an expansive view of the river and trees, sets the stage for a breathtaking ceremony.

### MAY RIVER LAWN

Just steps away from the Waterside Chapel is the May River Lawn, where you can receive your guests in a beautiful outdoor setting under the immense branches of ancient oak trees. With three fire pits, it's the ideal location to sip a glass of champagne and watch the tides of the May River at sunset. Guests can enjoy passed Hors D' Oeuvres while the wedding party finishes their pictures across the way at the site of Palmetto Bluff's historic ruins.

### RIVER HOUSE BALLROOM

The River House Ballroom, with its classic colonial architecture and sophisticated décor, can accommodate up to 140 people. The large wraparound veranda, surrounding the ballroom on three sides, offers stunning views of the May River and can accommodate up to 50 people. These venues create a distinct and elegant atmosphere to host your celebration.

### WINE CELLAR

The River House also has an exquisite wine cellar, complete with over 4,000 bottles, for hosting private parties. Up to 48 guests can comfortably enjoy the ambiance and privacy the Wine Cellar affords. Original artwork, dramatic lighting and a stone fireplace create the perfect setting for a dinner or intimate reception.

### MORELAND LANDING

Sculptor and craftsman Wayne Edwards built Moreland Landing as a one-of-a-kind venue for outdoor entertaining and dining. Complete with an impressive stone fireplace, the Moreland Pavilion has spectacular views of the May River and easily accommodates 60 guests under its roof, and an additional 80 guests on an open patio. Also located at Moreland Landing is an incredible 5-story tree house that wraps around a centuries-old Live Oak tree, and a traditional oyster-roasting pit to host an old fashioned Lowcountry feast.
