

PB EXPLORERS 2022 Camps

Summer Camp

Adventure Camps

Naturalist Camp

PB Explorers is offering three camp options for our members in 2022 including the traditional summer camp. This year we are introducing two exciting new options to add variety and expanded experiences, creating a summer to remember for the children who call Palmetto Bluff home.

Members are invited to sign their little explorers up for themed camp sessions which include new field trips and lunch provided daily.

Explorers are invited to spend their Monday mornings out experiencing nature and wildlife, while learning about the elements that make Palmetto Bluff's conservancy so unique. Children are able to participate in the Naturalist Camp and then join in on the fun of Summer Camp. A beautiful combination!

For those explorers craving adventure, spend your summer immersed in art, farming, golf, equestrian and more! While our traditional camp offers a taste of these activities, Adventure Camp provides explorers with a firsthand, immersive experience.

- Each individual camper must submit an Enrollment Form
- Please complete the forms for Summer, Adventure, and Naturalist Camps with your individual requests
- All forms must be emailed to pbexplorers@palmettobluff.com or brought in to the membership office
