

# Global Big Day

---

May 9th  
7am- 1 pm

*Participate in an annual citizen science initiative*

Every year the Palmetto Bluff Conservancy participates in the Global Big Day, an international event dedicated to documenting bird activity at the peak of spring migration. We need your help as team leaders, identifiers, or spotters to document the bountiful birds of the Bluff. For those interested in participating, please email us at [info@pbconservancy.org](mailto:info@pbconservancy.org) expressing your interest and the role(s) you feel comfortable filling.

# GLOBAL BIG DAY TEAMS

---

Easement Team  
~6.25 miles

The easement team will focus their efforts on the three conservation easements: River Road Preserve, Headwaters Nature Trail, and Sandhill Loop.

Development Team  
~5.75 miles

Development team will concentrate within Moreland and Wilson Village along with visiting the equestrian jumping course.

Trails Team  
~5.75 miles

The trails team will join a Conservancy staff member to document bird activity along firelines and trails in the undeveloped part of Palmetto Bluff.
